The background of the page is a dark grey or black color, featuring several horizontal musical staves. On the left side, there are five staves, each with a treble and bass clef. A large, light-colored scroll is unrolled across the top and bottom of the page, framing the central text. The scroll has a wavy, organic shape. The title "Dedication" is written in a large, elegant, cursive font in the center of the scroll.

Dedication

For our theme we chose music because we felt that it most nearly revealed the dominant impression of our past three years in Barringer. Wherever we went in and about the school, there were musical groups—the orchestra, the band, the Blue Jackets, the choruses, the Spring Concert, the impressive Christmas program; surely, these were melodious days.

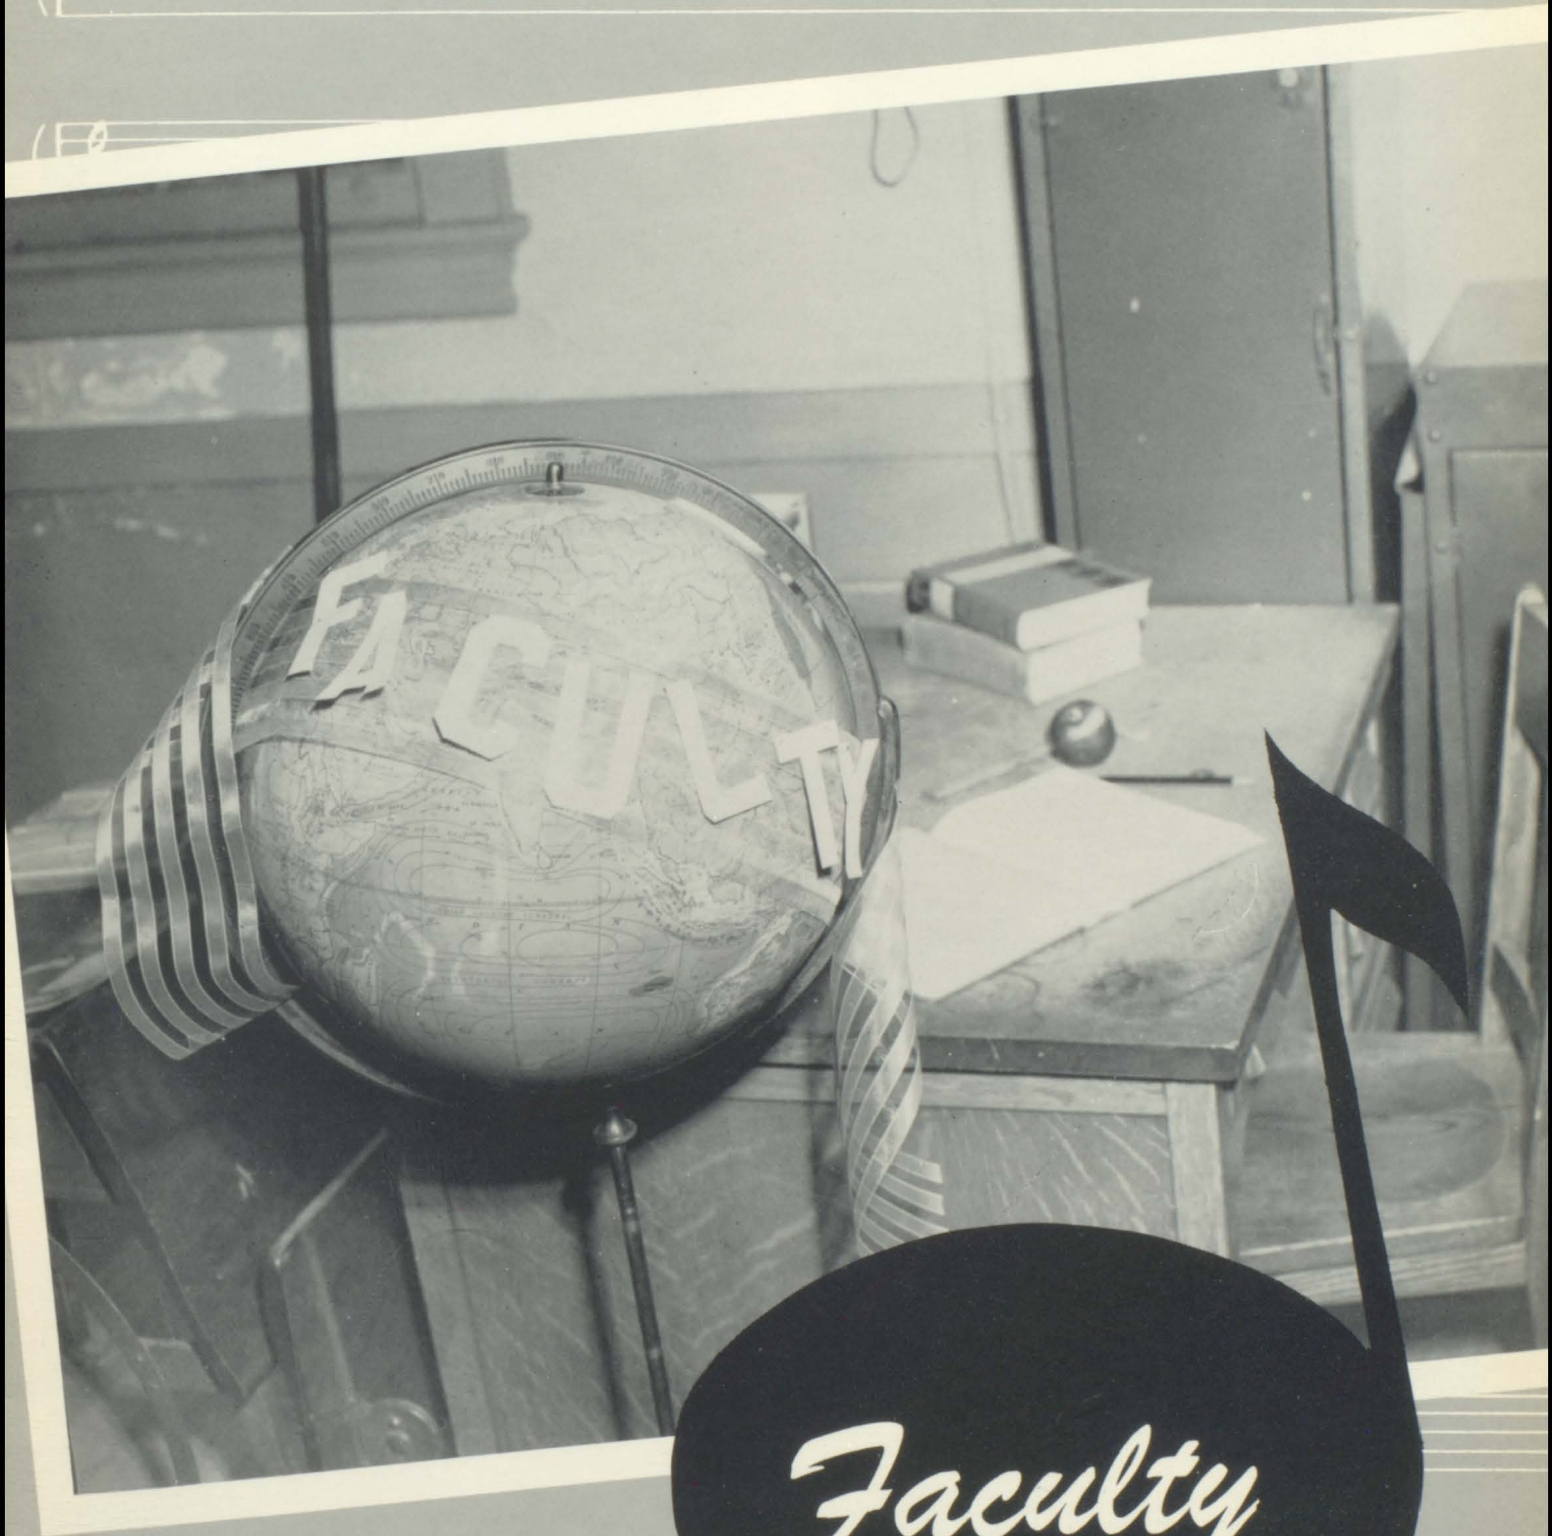

Really there was very often a song in our hearts, in everything we set about to do. And in our classes, no matter how serious, there was always nearby fun or humor which we always associated with the music of our crowd.

As we are about to step out of the doorway to scatter forever, we know we will look back on these fleeting years as happy times, full of real friendships and temporary sadnesses. But many of us have caught some of the spirit of Barringer, and of our Alma Mater, and part of the eternal spirit of youth in quest for light.

Somehow we seem to feel that we have made great strides in discovering that "singing the blues" is inferior to singing "with a song in our hearts."

PRINCIPAL

"To be in time with life is a wonderful achievement. Working in harmony with others insures pleasing results just like the beautiful music produced by the notes of a piano which combines to produce a major chord. The quality of our work depends upon the extra things we do for others, just like the quality of music depends upon the overtones which are added to the fundamental tones. May each of you be in harmony with the better things in life; then true success will certainly be your achievement."

"It is always pleasant to welcome a new generation into the company of educated men and women. But a diploma is no guarantee that one is educated. I therefore submit for your guidance this definition:

"To be educated means to be able to do the thing you know you have to do, at the time you know you have to do it, whether you feel like doing it or not."

"May you continue to grow in this self-discipline of mind, manners, character, speech, and action to make a life gratifying to yourself and to all with whom you associate."

CLASS SONG

Words by C. Barlas and A. Perna

Music by M. Inselberg

The days are drawing to a close— the
sad re—frain is now Fare— well— Our mem'ries of the friends we
chose— will al— ways ring a hap— py bell—; the
words come hard to tell the way we feel now that we
all must part But sure— ly all of you dear friends— mus
know we go with a song in our hearts—

The musical score is written on eight staves. The first staff begins with a treble clef, a key signature of two flats (B-flat and E-flat), and a common time signature (C). The melody is composed of quarter and eighth notes, with some phrases extending across bar lines. The lyrics are printed below the staves, aligned with the corresponding notes. The final note of the piece is a whole note.

Class History

Where or When?

It was a cold, snowy morning when the Class of January '54 trudged up the hill to Barringer High School for the very first time. At the traditional class meeting in the auditorium we caught the first glimpse of our principal, Doctor Saylor, who was "the living image of Santa Claus." After being told what rooms were on which floor, and never to take the elevator, we were well on our way to happy times in our new Alma Mater. When the term ended we set about the task of enjoying a wonderful summer vacation. We came back in September as 2A's, commonly known as "Sophisticated Sophomores." The term started sadly with homeroom 43 breaking up, but we didn't worry long about that because football was "in the air." How proud we were of the team that season, especially when Central and East Orange fell before us.

Our junior term marked the "Reign of the Water Pistols." Remember how we walked around the halls thinking we might get shot at the next turn? Of course Dr. Saylor thought it was the Freshmen, but I'll bet Marty and Paul could tell him differently. Will we ever forget how proud we were of Edith, when she became President of the Student Council. Or of Joanne, Alba and Aggie Skerko, when they became cheerleaders? Or of Terry Rosania when she became our only class twirler? Of course we must give due reverence to those dynamic dramatic personalities, Don, Mario, Claire, Paul, Gabe, and Terry, who starred in the famous Gray production. The football team met many a defeat that fall, but the season closed happily when we defeated East Orange, 7-0.

When Christmas time rolled around, we were the sponsors of that smashing success, "The Christmas Concert," thanks to Mr. Argand. And wasn't it about this time that Mr. Argand lost his homeroom? Oh, well, another senior homeroom bites the dust!

Well, the moment had arrived. We were now Seniors! We never thought we'd live to see the day, and if we had to have our rings to become seniors, we'd still be juniors now!!! The Yearbook Staff was well under way by this time, and Dolores and Phyllis became editors. The big four, Ronnie, Sal, Lenny and Phyllis, were now the class leaders. The first dance of the spring term was the fabulous "Leprechaun's Leap," the best dance Barringer ever had. Remember that real craaaaaa-zy snake dance and the green hats? With the coming of the warm weather it proved to be quite a temptation, especially with the park across the street. Apparently it got too warm for Muzzey, 'cause you remember the cool head he came to school with, one day. The term also marked the defeat of the class in the 4B-4A basketball game . . . wow! what a slaughter that was!

Well, after much needed vacation, we returned to school and found ourselves a new homeroom. Our new homeroom teacher was none other than our class adviser, Miss McLaughlin. Football season started out with a bang, the Big Blue really rolled, but then again, how could they miss with Bob, Larry, Chet and Pete leading them on to victory. Joanne and Alba, who were now the captains of the Cheering squad, now had Marlene, Jo, Lillian, Barbara and Aggie to help them cheer the team on. We'll never forget the ride out of Morristown, especially when three cheerleaders almost fell out of the top of Ray's convertible. And right smack in the middle of it all came our dance. Remember the 4A Dance cheer the cheerleaders gave at the pep assembly, and the Champagne Hour at the dance?

It was about this time that Anna, Marlene, Phyllis and Jo became the officers of the National Honor Society. How about the initiation when Ronnie made off with a jug of cider!! Then in the middle of the Basketball season up popped another 4B-4A game, and Sal, John, Pete, Henry and Larry showed the 4B's that our team was nothing to fool around with. Score?? 38-21!!

Of course, we must mention our big basketball hero, Mike, who did the team proud during the season. Remember the night of the Frosty Frolic? It never was so dark in the girls' gym!!! The decorating committee had quite a time trying to put up decorations with Pat and Ralph hanging from the ceiling. Well, the yearbook had gone to press, and the plans for the prom were all set, and then graduation came, with the realization that this was the last day of our life at Barringer High School. And while we were marching to the strains of *Pomp and Circumstance*, we knew then that whatever else be lost among the years, we would always hold this day close to our hearts and remember old times, old friends, and old years.

This was a season of great hopes and disappointments. On the basis of the first six games, all victories, hopes for city or even state championship bloomed high. At its best, the team functioned as a unit featuring two complete backfields and a sturdy line that yielded ground grudgingly. Then came the East Side encounter, tense with the City title at stake, marred by pen-

alties, and therefore our first loss. The Phillipsburg game was a 21-0 first half nightmare; the second half, a three touchdown rally, ending with our second defeat. The Thanksgiving game, our fifty seventh meeting, had unusual appeal—East Orange, undefeated for the season, was State champ contender. Both teams were high for the contest. When the 12,000 spectators left

the stadium, we had won everything but the points. An alert East Orange team, outplayed on the field, behind in total yards gained and passes completed, pounced on a poor pass and ran for a score; recovered our fumble and with penalty help, scored again. East Orange ranked second in All State (Montclair and Orange tied for first), so our consolation was that it had to be a fine team to beat us.

Central—Spirit up and Smith, Apostolico, Conforti, and Connelly score.

South Side—Down again in spirit, penalties mar first half. Mandio's handoff to (Mike) Comune sparked scoring—Conforti and (M.) Comune (twice).

Weequahic—Still no defeat, clean game, and scores by Conforti (two) and Peoples.

Morristown—Six straight with cleanest game so far, but fumbles. Conforti scored two, Mandio, one.

East Side—Fine defensive, but rough play and penalties lost three scoring opportunities. Gomez bulled across for only score and our first defeat.

Phillipsburg—Our worst nightmare. First half outscored 20-0. Second half rally, we scored 19 but couldn't close gap. Scores by Conforti, Peoples (two).

East Orange—Our opponent beats us on two alert plays and gets second place in All State rating. We outplay them on field and passes, reach their five yard line three times and stall. A heartbreaker.

CHESTER SMITH (40, 1)
The small bombshell that exploded for many touchdowns. This right halfback made ALL CITY second team.

VITO CORCIA (51)
Our hard-charging fullback gained when it was needed.

Mr. Touchdown B.H.S.

PETE COMUNE (76, 31)

Our manly right end whose outstanding defensive work bottled up many an opponent's drive.

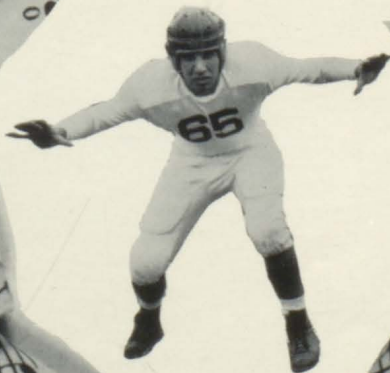

LARRY PECCATIELLO (77, 30)

Our versatile left end. His defensive and offensive work earned him ALL CITY in both newspapers.

BOB JORDAN (64, 20)

The Big Blue's guard whose excellent blocking was a main factor in the Blue's offensive.

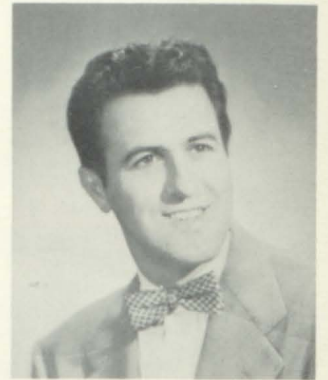

GUS DOTOLI (16)

Injuries grounded this game halfback who starred as both sophomore and junior.

Front Row: Puma, DeVito, Sarno, Comune, Trent, Jordan, Corcia. Second Row: Coach DiChiara, Giaccobe, Messito, Apostolico, George, Calvani, Forte, Hoare, Unidentified, Jeffries, Curto, Assistant Coach D'Ambrosia. Back Row: Coccozza, M. Jackson, Miller, Peccatiello, Delberry, Murray, Mulligan, Ceres, Iaccabucci, Jackson.

Baseball

BOB JORDAN "7"

Bob's outfield play was very valuable to the Big Blue, and with his bat he banged out many a needed hit.

PETER COMUNE "26"

Our hustling catcher sparked several rallies with his persevering play both behind the plate and at bat. He proved the point that the catcher is the center of strategy and spirit.

Highlights

Sarno's one-hitter against East Orange, Forte's homer with two on, beating East Orange 3-1.

The thriller we dropped after two extra innings, 3-2, to League Champs East Side, when Forte was hit so hard that he lost the ball at the plate. Puma scintillated at short.

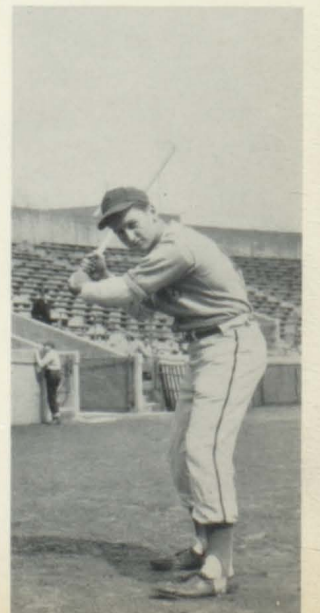

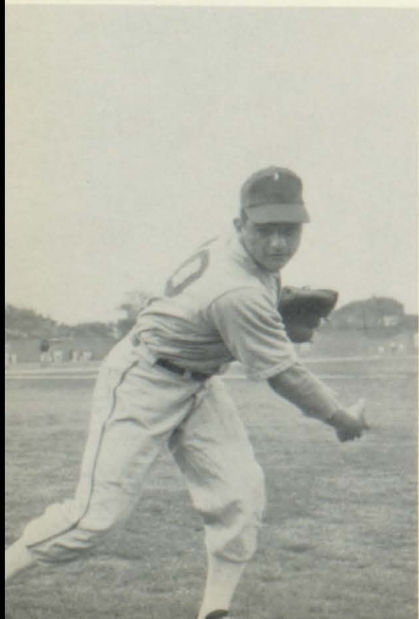

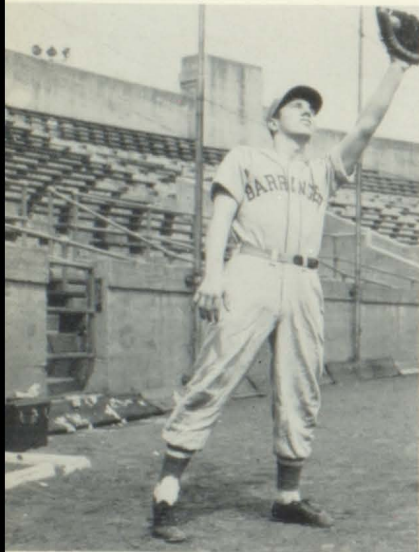

The worst weather in baseball history—rain daily.

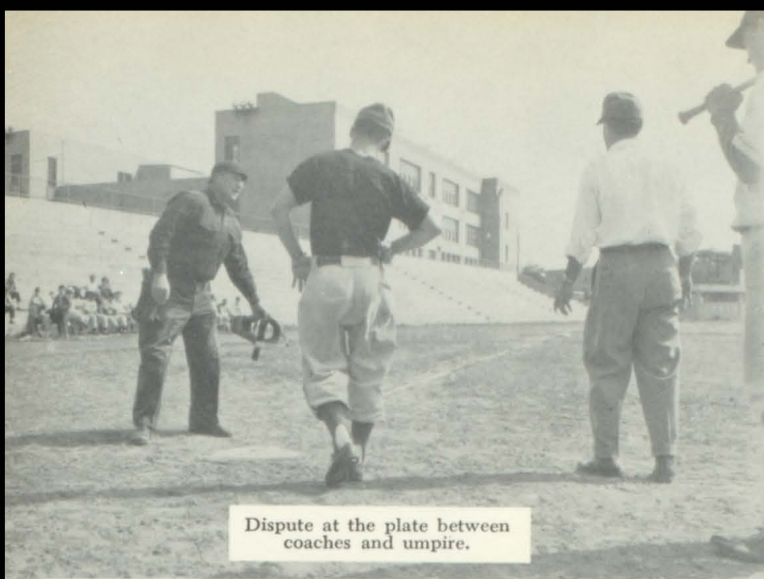

VITO CORCIA "10"

"Muzzy" was Barringer's Mike Garcia. When "he was on", he was great in relief and as a regular. Ineligible in his junior year, he came back as a senior to win some good games.

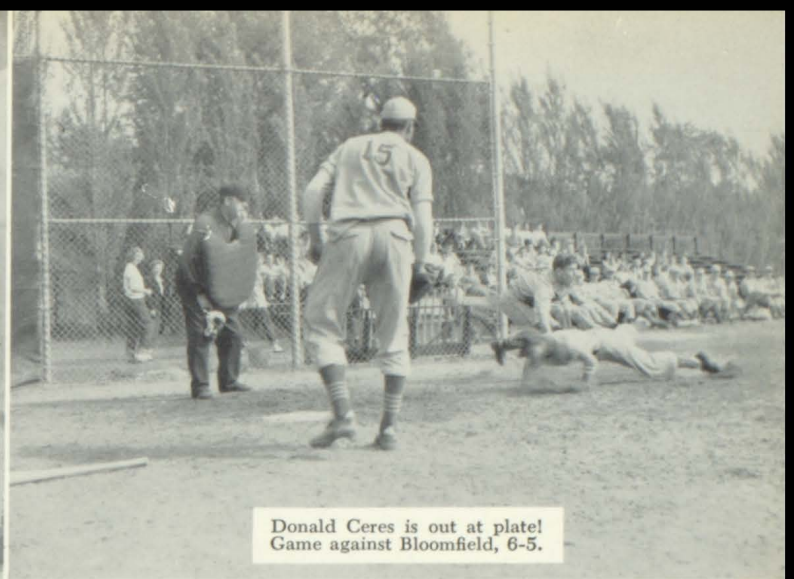

LARRY PECCATIELLO "16"

Larry covered both third and right field during the season and managed to bat out a high slugging average. His coolness in the pinches made him the Blue's mainstay and his teammates still vote him unofficially a spot on the All City Team.

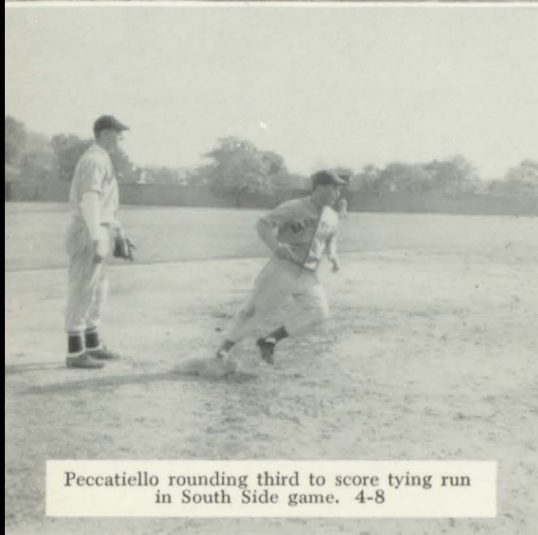

Dispute at the plate between coaches and umpire.

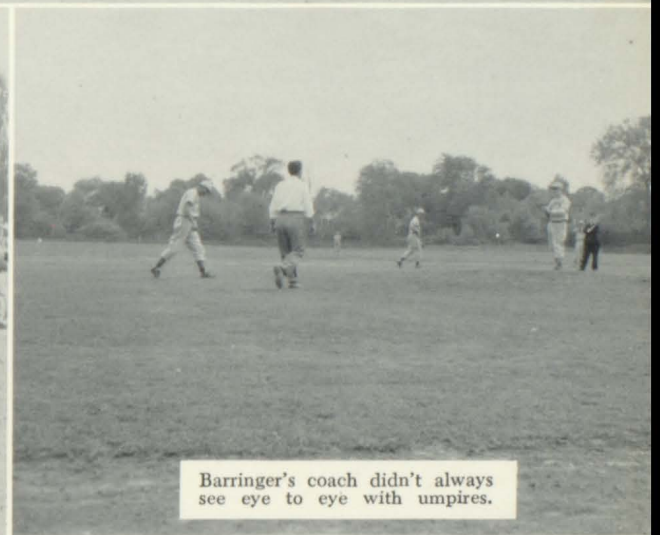

Donald Ceres is out at plate! Game against Bloomfield, 6-5.

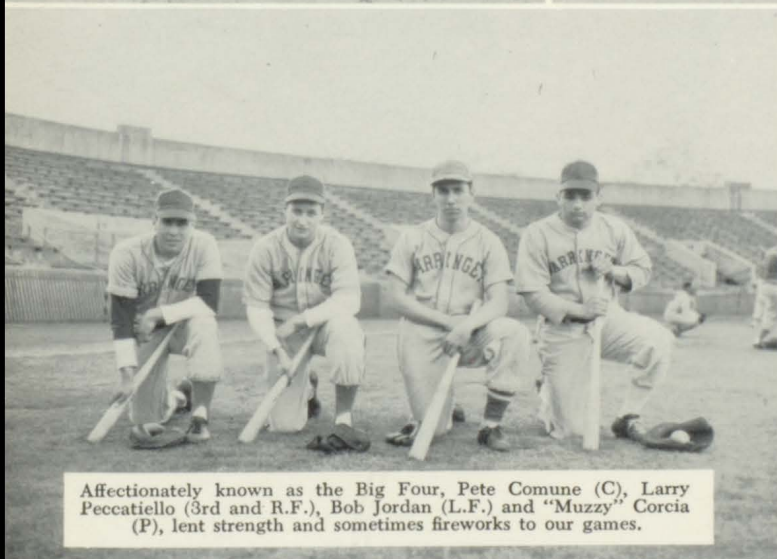

Peccatiello rounding third to score tying run in South Side game. 4-8

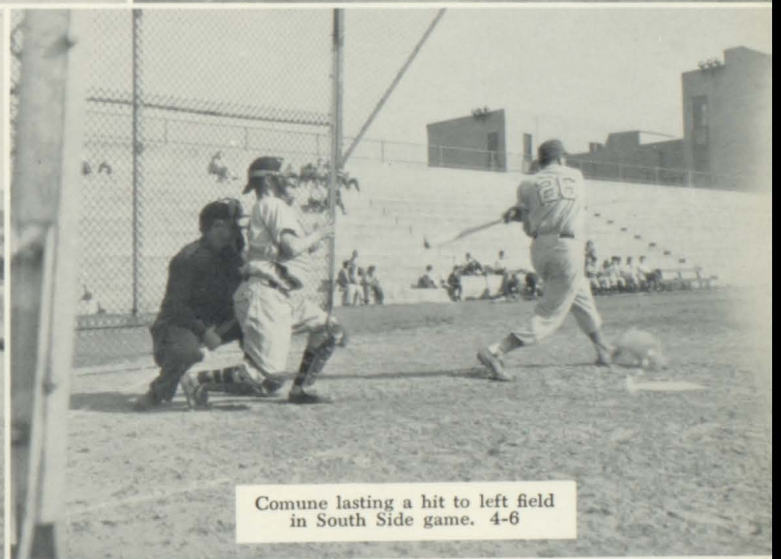

Peccatiello stealing home at Seton Hall. 3-15

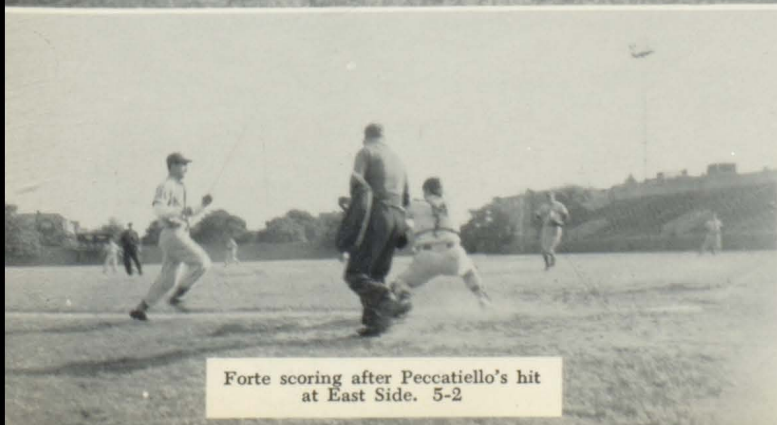

Barringer's coach didn't always see eye to eye with umpires.

Affectionately known as the Big Four, Pete Comune (C), Larry Peccatiello (3rd and R.F.), Bob Jordan (L.F.) and "Muzzy" Corcia (P), lent strength and sometimes fireworks to our games.

Comune lasting a hit to left field in South Side game. 4-6

Forte scoring after Peccatiello's hit at East Side. 5-2

Mulligan scoring tie-breaking run at Weequahic. 5-5

Front Row: Mac George, Russonella, Manfro, Haygood, Delberry. Back Row: Coach Nereberg, Parodi, Pryzlowski, Cavan, Nagy, Lupo, Johnson, Nappi, Jackson, Armeno.

Left to Right: Jimmy Sarage, Pat Meade, Major Brown, Mr. Thomas, Mario Pelino, Charles Quarles, Richard Kessinger, Marzine Jones.

Pelino coming in fourth at City Meet.

MARIO PELINO

Barringer suffered because Mario came out for track a year late. In his short career as a senior he developed rapidly as one of the best quarter milers in the city, capturing fourth place in the All City Meet.

CHESTER SMITH

Chet earned his letter in his junior year, winning the one hundred yard dash in the City Track Meet, and placing third in the County Meet in the running broad jump. In his senior year Chester was out of action somewhat because of injuries, but managed to cover the one hundred yard dash at East Orange in 9.9 seconds.
